SWITCH ASIA II Programme New call for proposals Information Session

SWITCH-Asia II launches its third call for proposals with a total budget of EUR 45.700.000 of which EUR 32.700.000 for Asia (South and South-East Asia) and EUR 13.000.000 for Central Asia. Each funding grant ranging from EUR 1-3 million. Proposals for SWITCH-Asia II are welcome from business intermediaries (business associations, industry organisations, service providers), as well as SMEs' business partners (such as retailers or financial institutions) and policy makers at regional and local level.

Aim of the Information Session European Commission representatives will explain in detail the objectives of the programme and the application procedures.
