

## Learn more on Team Europe

On behalf of the [EU International Partnerships Academy](#), the SWITCH to Green Facility is pleased to share with you a new course published on the INTPA Academy:

- **Team Europe eLearning course.** Click here ?? [Course: Team Europe \(europa.eu\)](#)

Since its launch in 2020 in the COVID-19 pandemic context, **Team Europe** has become a stable feature of the European Union external actions in international partnerships and cooperation. **Team Europe approach** is a topic that raised high interest among our users, stakeholders, and staff.

The course was developed by **INTPA Academy** in close collaboration with experts on **Team Europe** from the Directorate-General for International Partnerships (DG INTPA) and introduces the basic concepts of:

- **Team Europe**
- The **Team Europe approach**
- **Team Europe Initiatives**
- The **Global Gateway strategy**

It also presents concrete examples of **Team Europe** Initiatives in Kenya, Brazil, Eastern Neighbourhood Region, South Africa and more.
